OFFICIAL CONDUCT
Washington, DC 20515

February 25, 1987

The Honorable Cass Ballenger
United States House of Representatives
116 Cannon House Office Building
Washington, D. C. 20515

Dear Colleague:

This is in response to your letter of January 16, 1987, requesting the advice of this Committee regarding the propriety of your receipt of certain compensation from Plastic Packaging, Inc. Your correspondence elaborates on information provided in an earlier meeting with Committee Counsel Mark Davis.

You explain that you served as President of Plastic Packaging, Inc., from its founding in 1956 until your election to the House of Representatives. While you remain the majority stockholder and Chairman of the Board, you no longer have day-to-day operating responsibilities. In lieu of the salary previously paid to you, Plastic Packaging, Inc., intends to pay you $20,000 per year for as much as 400 hours of consulting services on implementation of corporate policy decisions. You further explain that Plastics Packaging, Inc., is your principal family investment, and you view it important to remain associated with the business to assure that your investment is protected.

The provision implicated by your inquiry is House Rule XLVII, which limits the amount of outside earned income which a Member of the House of Representatives may receive in a calendar year to 30 percent of the Member's aggregate yearly congressional salary. As provided in the Rule, the term "outside earned income" means "wages, salaries, professional fees, honorariums, and other amounts ... received as compensation for personal services actually rendered." Several exemptions are noted, however. Clause 3(d)(4) of Rules XLVII specifically states that outside earned income does not include--

> in the case of a Member engaged in a trade or business in which the Member or his family holds a controlling interest and in which both personal services and capital are income-producing factors, any amount received

> by such Member so long as the personal services actually rendered by the Member in the trade or business do not generate a significant amount of income.

The Committee is of the opinion that the services you will be performing for Plastic Packaging, Inc., and compensation in the amount specified, fall within the stated exemption. The purpose of the exemption, as stated by the Commission on Administrative Review of the 95th Congress, is to enable Members to protect their interest in a family business. (**See**, House Document 95-73, p. 11; **see also**, Advisory Opinion No. 13, House Select Committee on Ethics, 95th Congress.) Further evidence of the fact that your efforts are aimed at preserving your equity, rather than generating a significant amount of income, is the limited time you plan to devote to the business. The Committee also notes that the amount of compensation you will be receiving from the corporation is substantially less than that reported for prior years on the Financial Disclosure Statement which you filed as a candidate.

While this compensation will not be counted as outside earned income for the purposes of the limitation in Rule XLVII, please note that it still must be reported on the Financial Disclosure Statement you are required to file as a Member of the House of Representatives by May 15th of each year. For purposes of clarity, we suggest that you note on the Statement that this income is from a family business and exempt from application of Rule XLVII.

If you have any further questions concerning this matter, please contact the Committee staff at extension 5-7103.

Sincerely,

Julian C. Dixon

Dear Mr. Chairman:

With best personal regards, I am

Dear Mr. Anderson:

Attached you will find amended Financial Disclosure Statement for 1986. The amended form reflects information at Item IIB-6 to disclose the source of rental income reported as to Jesse L. Alston and the source of rental income reported as to Laura M. Bateman and Cynthia Black. The amended form also reflects under Section III, Holdings, addition of Legg-Mason Cash Reserve Trust. This was a temporary investment in a Money Market Account pending permanent investment in Legg-Mason Value Trust as reported in Section IV-5.

I have also indicated under Section IV, Item 1, Newport News Savings and Loan Association stock, that it was a purchase.

I have also added under Section IV, Item 6, Legg-Mason Value Trust Money Market Account, as a temporary investment liquidated with the proceeds reinvested in Section III-3 and IV-5. I have not disclosed on the 1985 statement promissory notes payable to me by my children, Herbert H. Bateman, Jr., and Laura M. Bateman, as these are not required to be reported though they were reported on my 1985 Disclosure Statement.

Sincerely,

Herbert H. Bateman

Dear Sirs:

Would you please note that on Appendix A items 5, 8, 10 and 11 in addition to 1985 property.

Item 8 I thought belonged to the trust as they own 35% of these lots in Santa Cruz and therefore where committed. The value of these lots are totally less than $10,000 and my 30% interest could not exceed $3,500.

Item 5 These lots were acquired sometime in 1984 or 1985. My ownership value does not exceed $10,000 in value, because of their being out of state and fully paid for. My partner administers the property, and therefore, I forgot I owned them.

Item 10 This is 2.5 acres acquired in 1984 or 1985. The value does not exceed $20,000 for my interest, because I forgot I owned the property.

Item 11 This item was listed under another name and overlooked in report value is approximately $40,000 and property was sold in 1987 to my partners for a little over $38,000.

Please note in addition that I have listed all properties of Bilbray Investments, which is a family held corporation., as well as information on J.A. Bilbray Trust 501, which I am sole trustee.

Sincerely,

James H Bilbray

Dear Chairman Dixon and Ranking Minority Member Spence:

Please accept this letter as an amendment to my financial disclosure form for 1986. While I regret the confusion, we have all been struggling following the tragic and unexpected death of my friend and C.P.A. after a brief illness last month.

Further compounding the problems is an unavailable K-1 form from a partnership in which I was involved during the first quarter of calendar 1986.

Please be advised that the corrections are as follows:

II Income B

Greeneville Hotel Association	Partnership share	B
	Capitol Gain	D
Richmond Hotel Associates	Capitol Loss	A

No income whatsoever was derived from Richmond Lodging Associates so it should not be listed.

In advance, I thank you for your attention to these matters.

Sincerely,

Bill Boner

Dear Mr. Anderson:

Pursuant to the letter dated May 15, 1987, received by me from the House Committee on Standards of Official Conduct, please consider this letter as formal amendment to my Financial Disclosure Statement. The following information was requested by the Committee.

Part III. Holdings
The "Carver" income is actually mortgage payments that are paid to my wife and I as a result of the sale of the Weimar, California, property, which was sold by us in 1980.

The "County Road 334" rent is rental income my family receives from the rental of a house located on our ranch (not the main, family house, but one located on property we purchased a few years ago located adjacent to the family ranch).

Part V. Liabilities
The debt to Rocky Mountain Escrow is a mortgage debt. My wife and I purchased property adjacent to our Ignacio ranch property a few years ago (the same property on which the rental house described above is located). Regular mortgage payments are made by us to Rocky Mountain Escrow.

I attach a copy of the Financial Disclosure Checklist-Form A, provided to me by the Committee, reflecting the information being requested. I trust this letter adequately answers those requests.

Sincerely,

Ben Nighthorse Campbell

The Honorable Donn Anderson
The Clerk of the House
U.S. House of Representatives
H-105, The U.S. Capitol
Washington, D.C., 20515

Dear Mr. Anderson:

Let me take this opportunity to respond to the Committee's May 14 1987 inquiry and to explain: 1) Why the following holdings were listed in my 1986 financial disclosure statement, but not in my 1985 statement; and, 2) why no acquisition or transaction was reported in conjunction with these holdings.

In 1986, I married Martha Ann Stacy. At the time of our marriage, she already owned the following assets: CD's at First Union; a house in Pineville, N.C.; Wilmington Trust Co. account; Merrill Lynch money market account; DuPont Co. thrift plan; DuPont Co. common stock, and a Jefferson Standard life insurance policy.

In 1986, I moved from my home in New Castle, Delaware to live with my wife in a home in Wilmington. We continue to own the home in New Castle, which has become a rental property. Since Members are not asked to list principal residences on our financial disclosure statements, I did not report the New Castle property on my 1985 statement, nor did I report our Wilmington home on my 1986 statement.

If there are any further questions on this matter, please feel free to direct them to me.

Sincerely,

Tom Carper

FINANCIAL DISCLOSURE CHECKLIST--FORM A

FILER: HONORABLE JAMES McCLURE CLARKE

PART III. HOLDINGS

Committee Comment:

1. "Danny (sic) (Dairy) Farm and Orebard (sic) (Orchard),Fairview, N.E. (sic) (N.C.)".
   - A. This holding was reported in 1985.
   - B. For 1986, this holding was reported as the following line items:
     - 1) 640 acres of farmland in Buncombe County, N.C.
     - 2) 210 acres of farmland in Henderson County, N.C.
   - C. Note that the Dairy Farm and Orchard in Fairview, N.C. are, in fact, comprised of the 640 acres of farmland in Buncombe County, N.C. and the 210 acres of farmland in Henderson County, N.C.

Committee Comment:

2. "2/3 interest in 450 acres of timberland, Jackson County, N.C."
   - A. On the 1985 statement, this holding should have been described as "2/3 of a 3/10 interest in 450 acres of timberland, Jackson County, N.C."
   - B. During 1986, this holding was given by the Congressman to 6 of his 7 non-dependent children.
   - C. This gift was inadvertently omitted from the original statement. An amended Section IV - Transactions has been attached to include this transaction.

Committee Comment:

3. "7/16 interest in 640 acres of timberland in Jackson County, N.C."
   - A. This holding was listed on the 1985 statement.
   - B. This holding was incorrectly reported on the original version of the 1986 statement as "280 acres of undeveloped mountain land in Jackson County, N.C."
   - C. This holding is correctly reported on the attached amended version of Section III - Holdings as "240 acres of undeveloped mountain land in Jackson County, N.C."
   - D. During 1986, Congressman Clarke made a gift of 1/16 of the original 7/16 of the 640-acre tract to one of his non-dependent children and one of his non-dependent daughters-in-law. Thus, Congressman Clarke's holdings were reduced from 7/16 of 640 acres (280 acres) to 6/16 of 640 acres (240 acres).
   - E. The attached amended Section IV - Transactions includes the gift of 1/16 of the 640 acres to the son and the daughter-in-law.

Committee Comment:

4. "Separately identify 8 rental houses".
   - A. The original Section III - Holdings listed 8 rental houses on farmland in Buncombe County, N.C. This has been corrected to 7 rental houses on the attached amended Section III - Holdings.
   - B. Note that, of the 7 Buncombe County, N.C. rental houses, only 2 were actually rented during 1986. Thus, only 2 of the 7 Buncombe County, N.C. rental houses are listed in Section II, Income - Unearned.
   - C. The 7 rental houses are identified, as follows:
     1. Rental house on 640 acres of farmland in Fairview, N.C.; ("Road House"); 2-story wooden frame house built approximately 1920, containing approximately 1,240 square feet, and 1 bathroom.
     2. Rental house on 640 acres of farmland in Fairview, N.C.; ("Field House"); 1-story wooden frame house, built approximately 1920, containing approximately 800 square feet, and 1 bathroom.
     3. Rental house on 640 acres of farmland in Fairview, N.C.; ("Abell House"); 1½-story wooden frame house, built approximately 1948, containing approximately 2,000 square feet, and 2 bathrooms.
     4. Rental house on 640 acres of farmland in Fairview, N.C.; ("N. Settles House"); 1-story wooden frame house built approximately 1875, containing approximately 700 square feet, and 1 bathroom.
     5. Rental house on 640 acres of farmland in Fairview, N.C.; ("Studio House"); 1-story wooden frame house, built approximately 1920, containing approximately 600 square feet, and 1 bathroom.
     6. Rental house on 640 acres of farmland in Fairview, N.C.; ("C.L. Settles House"); 2-story wooden frame house built approximately 1920, containing approximately 1,200 square feet, and 1 bathroom.
     7. Rental house on 640 acres of farmland in Fairview, N.C.; ("L. Wright House"); 1-story wooden frame house built approximately 1920, containing approximately 900 square feet, and 1 bathroom.

[illegible]

PART IV TRANSACTIONS

Committee Comment:

1. "Entries new in 1986 shown on Page B (except N.C. National Bank, vacation cabin, and house in D.C.), not in transactions. All sales transactions were not listed in Candidate Financial Disclosure Statement (Form B) in 1986"

2. The information that is listed on Page B is correct, with regard to the holdings of the Candidate at the end of 1986.

3. A partial share of the "Dumont Clarke, Jr. and others" trust (Trust ID Number 13-6080795) was owned by the Candidate during 1985, but was erroneously omitted from the Candidate's 1985 Statement of Holdings.

4. The other common stocks, bonds, and treasury notes that are listed by the Candidate as holdings for 1986 were, in fact, owned by the Candidate during 1985 and prior years.

5. All of these common stocks, bonds, and treasury notes have been held by the North Carolina National Bank in a custodial account for the Congressman for a number of years.
6. Thus, when the Congressman's 1985 Disclosure Statement was filed, these holdings were listed under the single, combined heading of North Carolina National Bank custodial account.
7. The 1986 statement simply details all of the underlying elements that comprise the Congressman's custodial accounts that are held by the North Carolina National Bank.

PART IV TRANSACTIONS

Committee Comments:

1. "All sales transactions were not listed in Candidate Financial Disclosure Statement (Form B) in 1986".
   A. Sale of cows and calves - these cows and calves were part of the Congressman's Dairy Farm holdings that were reported in 1985. While the actual individual numbers and names of all cows and calves were not listed on the 1985 form, they were included under the general category of dairy farm.
   B. Sold standing timber - although the Congressman did not report standing timber as a separate holdings line item in 1985, the standing timber was, in effect, reported in 1985 since this was a sale of trees that were located on the dairy farm/apple orchard that was reported in the 1985 Statement.
   C. Sold 1,405 shares of First Lake Forest Corporation common stock - this common stock was reported by the Congressman on his 1985 Statement in the general category of his "North Carolina National Bank" reporting of his custodial account with that institution.
   D. Sold 75 Federal National Mortgage Association Bonds, sold 20 Honeywell Finance, Inc. Bonds, sold 5 Washington Gas Lite Company Bonds, and sold 679 shares of Dreyfus Cash Management Fund: All of these holdings were reported by the Congressman on his 1985 Statement in the general category of his "North Carolina National Bank" reporting of his custodial account with that institution.
   E. As noted above, the gift transactions (to the Congressman's children) have been added to the amended Section IV - "Transactions".

The Honorable Julian C. Dixon
Chairman, Committee on Standards of
Official Conduct
U.S. House of Representatives
HT2 The Capitol
Washington, D.C. 20515

Dear Mr. Chairman:

I am writing to amend my 1986 Financial Disclosure Statement.

First, I amend Part II B. (Unearned income), with respect to "miscellaneous other income." This entry should read as follows:

Source--Merrill Lynch Ready Asset Cash Management Account

Further, with respect to Part II B., I amend by adding a description of the rental property for which rents were paid by Mr. and Mrs. A. Strickler:

Condominium residence located at 1840 Villa Drive, Greensboro, North Carolina, 27403.

Accordingly, Part III (Holdings) is amended to reflect ownership of that same condominiun residence located at 1840 Villa Drive, Greensboro, North Carolina, 27403, the value of which is in Category C.

Part III is further amended to reflect as holdings those purchases listed as transactions in Part IV (Transactions), as follows:

Brief Description		Date	Category
Forum Group	(500 shares) purchase	8-13-86	A
Food Lion	(300 shares) purchase	8-14-86	A

REPRESENTING THE COUNTIES OF ALAMANCE, DAVIDSON, AND GUILFORD

The Honorable Julian C. Dixon
Page 2
June 9, 1987

In addition, Part III is amended by indicating ownership of Allied Signal stock, with a value in Category A. Please note that ownership of Allied Signal was inadvertently omitted from my 1985 Financial Disclosure Statement. However, in an effort to report fully and completely comply with all disclosure requirements, I wish to report that I owned this stock at the time I entered Congress.

Part VI (Gifts) is amended by deleting the entry pertaining to the Anti Defamation League trip to Israel.

Part VII (Reimbursements) is amended to show the following reimbursement, with the source and a brief description:

Anti Defamation League of B'nai B'rith 1-5-86 to 1-12-86
roundtrip air fare from Greensboro, NC to
Israel to Ireland and return to Greensboro, NC
8 days food and lodging

As may be apparent, disclosure of the trip to Israel was inadvertently listed as a gift on the original disclosure form.

Dear Mr. Anderson:

This letter is to notify you that I am amending my 1986 Financial Disclosure Statement, Section VII.

As requested by the Committee on Standards of Official Conduct, I have given a more detailed description of the reimbursements. In doing so, I found several mistakes that were inadvertently made in that section and have made the corrections.

Thank you for your attention to this matter.

Sincerely,

Bob Davis
